

“New” Arrival and Dismissal Procedures for All Grades

- Students are required to wait with staff members until their car arrives and then enter the car only after it comes to a complete stop.
- Staff members will assist students to enter and exit the car on the passenger side of the car only. Students may not cross in front of the car for safety reasons.
- Please note once you are in line for pick-up or drop-off you cannot park or turn around.
- If you are unable to wait in the standing car line, please park on Stratton Way or Bridgewood Drive and walk to pick-up your child. We cannot have any cars backing out of the dismissal line.
