

EASTWOOD EAGLE

MONTHLY NEWSLETTER

<http://eastwoodes.bcps.org>

Every month when the *Eastwood Eagle* newsletter is published, it is posted online as well. Parents and guardians that have computer access to read the monthly family newsletter can help Eastwood support our **green school** by opting out of receiving the hard copy edition of the monthly newsletter.

Please complete the form below if you wish to read the monthly edition of the *Eastwood Eagle* online in lieu of the hard-copy edition. Families choosing this option will receive an automated phone call each month to alert them that the *Eastwood Eagle* is posted online for their convenience.

Thanks for your support of another Eastwood “green school” initiative.

Please complete, clip, and return to your child’s teacher

- Our family wishes to read the monthly *Eastwood Eagle* parent newsletter posted online on Eastwood’s website at <http://eastwoodes.bcps.org>.
